TORN FROM ITS SOCKET,

Horrible Accident to Henry Chudders While Felling a Tree.

COLDWATER, Nov. 27 .- Henry Chudders and his father were chopping a tree four miles from here. When it fell it pinned Henry to the ground, breaking his leg at the thigh and literally pulling the left arm from the socket so that it hung by a shred of skin. His father was obliged to come to town for aid before he could get his son from under the tree. The arm was amputated, and the physician was obliged to cut strips of flesh from the patient's shoulder to cover the wound occasioned by the loss of the arm. At last accounts he was resting easy, but there are only slight hopes of his recovery.

Styler Was Hypnotized. Saginaw, Nov. 27.—John Styler has petitioned for an injunction restrainog Willis Sims, a ventriloquist at the Gem theater, from making him appear ridiculous. Styler says he has been hypnotized and that Sims makes him appear to use abusive language to the boarders at the hotel where both are stopping to such an extent that he had been severely beaten by an offended neighbor at the table. He also says Sims made him appear to have in-sulted the waiter girls, whereas, he had not opened his mouth.

LANSING, Nov. 27 .- Ex-Chief Justice Morse made his first appearance as a practitioner, since he mounted the wool sack, in the Ingham county circuit yesterday, as counsel for the heirs of the late John B. Dakin, of Williamston. Among other bequests, aggregating \$150,000, Dagin left his widow \$40,000, but he utterly ignored preperty worth fully \$100,600. The heirs contend that the widow is entitled to none of this unmentioned property, the bequest of \$40,000 being in lieu of all dower. She claims a third of the property not mentioned in the will.

Olivet's New President.

OLIVET, Nov. 27 .- The Rev. William H. Sperry of Manchester, N. H., who was invited to fill the position as presi-dent of Olivet college, has accepted. He will begin his labors here next February. Mr. Sperry is an educator of considerable reputation in the east. He was a graduate from Yale in 1869 and pursued his theological studies at Yale and Andover. For six years he was at the head of the Beverly school of Bev-erly, Mass. Since that time he has been engaged in ministerial works.

Liquor Dealers Mean Business.

Saginaw, Nov. 27.—The executive board of the State Liquor Dealers' as-sociation will meet in Detroit December 6 to discuss matters relative to legislation. President Dederick says the organization is growing stronger daily, and State Organizer Maney has just returned from the upper peninsula, where he listed nearly 1,000 new mem-bers. He will begin his work in the southern part of the state after the December meeting of the executive board.

Have 5,000,000 Souvenir Half Dollar Coins in their treasury, the gift of the American people by Act of Congress. The patriotic and historic features of these Coins and their limited number, compared with the millions who want them—our population is 66,000,000—have combined to create so great a demand for these World's Fair Souvenir Coins that they are already quoted at large premiums. We have decided to deal direct with the people---To whom we are directly responsible --- among whom an equitable distribution of these National heirlooms should be made.

The World's Fair Offer to the American People:

That none of our plans for the people's profit be curtailed we must realize from the sale of 5,000,000 Souvenir World's Fair Fifty-cent Silver Coins the sum of \$5,000,000. This means \$1.00 for each Coin, a much smaller sum than the people would have to pay for them if purchased through an indirect medium. Every patriotic man, woman and child should endeavor to own and cherish one of these Coins, as they will be valuable in future years—a cherished object of family pride.

Remember that only 5,000,000 Coins must be divided among 66,000,000 people. These Coins could be sold at a high premium to Syndicates, but we have enough confidence in the people to keep the price at a Dollar for each Coin, as this will make us realize \$5,000,000—the sum needed to open the Fair's gates on the people's broad plan.
